This Year's Significant Bankruptcy Decisions

Thursday, September 6, 2018

The Suffolk Academy of Law and the Eastern District of the New York Chapter of the Federal Bar Association are pleased to present this program. There are many recent and significant cases that have been decided throughout the country that may impact your practice and strategies for both business and personal bankruptcy cases. We are pleased to welcome Bill Rochelle, Editor-at-Large from the American Bankruptcy Institute (ABI) and author of the ABI Daily Wire as our guest speaker. Bill has an extraordinary knowledge of bankruptcy law and recent developments. He will be joined by Judge Alan S. Trust, Matt Spero and Adam Wofse for a terrific panel to explore cases and to welcome discussion from those in attendance.

Faculty:

Hon. Alan S. Trust, U.S. Bankruptcy Court
Bill Rochelle, Editor-at-Large, American Bankruptcy Institute (ABI)
Matthew V. Spero, Esq, Rivkin Radler LLP
Adam P. Wofse, Esq., LaMonica, Herbst & Maniscalco LLP
